IN CONJUNCTION WITH

Dear *(Player)*

You have been invited to attend Futbol.tec and Sydney Tigers' (APIA Leichhardt) first ever school football camp during the forthcoming July school holidays. Futbol.Tec; designed and developed by Jason and Glen Trifiro, has the objective to identify, appreciate and develop the techniques of young footballers. We believe that young players should be positively nurtured and developed in an environment with a major emphasis on building a strong technical base. Our camp will be a fun way to keep busy during the school holidays, whilst enjoying and improving your football. Our staff will include coaches from the Sydney Tigers first grade squad as well as other coaches who have played in the A-league or overseas. Fruit and drinks will be provided, and there is likely to be guest appearances by A-league players throughout the week. Each Player will also receive an Errea Training strip and training ball.
